**Limit downtime**  
**Protect tires**

**5000 stalk Devastator** *patent pending*

- Rollers push over stubble as they travel through the field
- Prevents damage to tires, tracks, wires, and hydraulic hoses on combines, trucks, tractors, and implements
- Preserves residue cover
- Crushed, knocked over stalks facilitate quicker residue breakdown
- Is quick and easy to install with mounting kits for most corn head models
- Features spring-loaded, solid steel construction
- Will not interfere with most header cart trailers
